

CHECKLISTS TO KEEP YOU ORGANIZED

Airbnb Cleaning Checklist

An Airbnb cleaning checklist helps ensure every guest arrives to a spotless, welcoming, and well-prepared rental property. Fast turnovers leave little room for missed tasks, so use this checklist to maintain consistent cleaning standards between bookings. From laundering linens and sanitizing high-touch surfaces to cleaning bathrooms and refreshing living spaces, these tasks help create a positive guest experience and support better reviews.

- Wash and change bedsheets
- Wash towels and bathrobes
- Wipe down kitchen surfaces (countertops, appliances)
- Throw out leftover food in fridge
- Dust furniture and other surfaces
- Wipe down countertops
